The Planning Board reviewed the merged Goals and Objectives & Implementation Strategies document, beginning the process of identifying the status of the Planning Board-focused items in the Land Use, Regional Concerns, Economic Development and Housing categories. It found that several items had been completed, but several others were either only partially completed or still open. The Board will resume its work with the Community Facilities section.

The Board requested that reminders be sent to all other Boards and Committees about the chart so they could provide their own progress updates, but such reminders will not be sent until after the March election.

The Board requested that Southern NH Planning Commission, Rockingham Planning Commission and Strafford Regional Planning Commission be scheduled in the near future for a meeting to speak with the Town about what they could offer.
